Modena, October 2020

A) Education

- 1998: Degree in Medicine & Surgery at the Medical School of University of Modena & Reggio Emilia, Modena, Italy. Dissertation: “Repeated psychiatric referrals in the general hospital and at a community mental health centre”.
- 1996: Erasmus European Union Exchange Program (one semester during 5th year of medical school) at the Medical School of Nottingham (UK).
- 2002: Post-graduate degree of specialisation in psychiatry, at the School of Specialisation in Psychiatry of the University of Modena & Reggio Emilia, Modena, Italy.
- 2006: PhD degree in Psychiatry at the University of Modena & Reggio Emilia, Modena, Italy. Dissertation: “Frequent attenders in primary care: impact of medical, psychiatric and psychosomatic diagnoses”.
- 1999: “Advanced Course in Liaison Psychiatry” by Prof. Francis Creed, (<http://www.medicine.manchester.ac.uk/postgraduate/cpd/liaisonpsychiatry/>) at the Department of Psychiatry of University of Manchester, UK.
- 2006: 6th Maudsley Forum – Advanced, at the Institute of Psychiatry, Kings’ College, London, UK.
- 2008: Advanced course on methodology of research at the GIMBE, Bologna, Italy.
- 2010: Development of professional skills and leadership for young psychiatrists, trainers prof. Norman Sartorius and sir David Goldberg.
- 2012: School on research methodology in clinical and social psychiatry, director prof. Norman Sartorius.

B) Scientific Career

- 2008-2017: University Researcher in Psychiatry, SSD MED/25, at the University of Modena & Reggio Emilia, Modena, Italy.
- 2009-ongoing: Registered in the list of Full Time University Teachers – DPR 382/80 at the Modena College of Physicians.
- March 2017: National certification of scientific curriculum to apply for academic role as Associate Professor.
- 2018-ongoing: University Associate Professor in Psychiatry, SSD MED/25, at the University of Modena & Reggio Emilia, Modena, Italy.

The main area of scientific interest and activity is Consultation-Liaison Psychiatry and Psychosomatic Medicine, with special reference to:

- Epidemiology of medical-psychiatric comorbidity – frequency, clinical features, risk and protective factors for psychiatric disorders in the medically ill patient;
- Medically unexplained physical symptoms and somatization – clinical management, diagnosis, training of medical professional in diagnosis and management;
- Cross-cultural psychiatry, migration psychiatry – psychiatric morbidity, somatization, access and pathway to mental health care for migrants;
- Assessment of bio-psycho-social complexity and operationalization of the bio-psycho-social paradigm in clinical practice in the general hospital and in primary care;
- Psychiatry in primary care – role of common mental disorders on quality of life and disability of primary care patients, workload of primary care physicians, high/excessive use of services due to psychiatric disorders;
- How to organize and manage a consultation-liaison psychiatric service in primary care as to clinical, research and academic activities.

Financed projects:

- Regione Emilia-Romagna and University joint research project 2010-2012 on “Implementing diagnosis and treatment of depression in subjects with recent diagnosis of HIV-positivity by means of inflammatory biomarkers and standardized psychiatric monitoring”. Multicentric project; role as Principal Investigator.
- Regione Emilia-Romagna and University joint research project 2007-2009 (DG.R. n. 1870/2006) on “Effectiveness of physical activity and social activity on depression in the elderly. Multicentric randomized controlled trial (code PRUa2-2008/09-009); role as co-investigator (Principal investigator prof. Mirco Neri, University of Modena & Reggio Emilia).

National and international scientific collaborations:

- Observational study “Percorsi di cura - Pathways to care” (national coordinator: Second University of Naples);
- Observational study “Urban lack of security and fear of crime. A survey among mentally ill patients” (national coordinator: Second University of Naples);

- Observational study “Pathways to care of migrants” (national coordinator: University of Bologna).
- Intermed Self-Assessment Study (IMSAS) – as principal investigator and international coordinator of the multi-centric international research project and local coordinator for the Modena site; member since 2008 of the INTERMED Foundation, coordinators prof. Frits J. Hujise, University of Amsterdam, and prof. Frederick Stiefel, University of Lausanne;
- 2012-ongoing: member of the multidisciplinary European Research Association for Somatisation and Medically Unexplained Symptoms (EURASMUS), coordinated by dr. Peter White (UK);
- International Study on Student Career Choice in Psychiatry (ISoSCCiP), coordinated by World Psychiatry Association – as national coordinator for Italy;
- Burn Out Syndrome Study (BOSS), coordinated by the European Federation of Psychiatry Trainees (EFPT) – as national coordinator for Italy.

Other scientific activities:

- 2005-ongoing: Referee for the following scientific journals:
 - *Psychotherapy and Psychosomatics*, editor prof. G.A. Fava;
 - *Journal of Psychosomatic Research*, editor prof. A. Leentjens;
 - *Clinical Practice and Epidemiology in Mental Health*, editor. dr. M. Carta;
 - *Psychiatria Danubina*, editor prof. dr. Miro Jakovljević.
- 2007: scientific secretariat of the 10th Annual Meeting of the European Association for Consultation-Liaison Psychiatry and Psychosomatics (EACLPP), Bologna (Italy).
- 2008, 2011, 2012: member of the International Scientific Committee of the Annual Meetings of the EACLPP (Zaragoza (Spain); Budapest (Hungary), Aarhus (Denmark)).
- Co-author, with prof. Marco Rigatelli, of the Italian version of: Cohen-Cole SA, Saravay SM, Hall RCW, Kathol R, Kunkel E, Trzepacz P, Stern T, Stoudmire A, Strain JJ: Mental disorders in general medical practice. Adding value to healthcare through consultation-liaison psychiatry. Task force on Healthcare Value Enhancement. Academy of Psychosomatic Medicine, 1998.
- Winner of the research award SIPC 2000, with the research “Patients attempting suicide in the general hospital: the role of psychiatric consultation”
- 2004-ongoing: Member of the Scientific Secretary of various Italian congresses and scientific events.
- Italian delegate at the 2005 Forum of the European Federation of Psychiatric Trainees (EFPT).

- Winner of the 2009 European Psychiatric Association (EPA) scholarship program for young psychiatrists.
- First author and presenter of various oral presentations and posters at national and international congresses (see list of abstracts below).

C) Affiliated Associations

- 2003-ongoing: member of the Italian Society of Psychiatry.
- 2003-2013: member of the national coordination of the Italian Society of Psychiatry (SIP) Young Psychiatrist project and regional coordinator for Emilia-Romagna of the Young Psychiatrist project, with liaison responsibilities towards early career psychiatrists groups and associations in Europe and USA.
- Past-president of the Section Emilia-Romagna of the Italian Society of Psychiatry.
- 2004-ongoing: Secretary of the Italian Society of Consultation-Liaison Psychiatry.
- 2006-2012: member of the European Association for Consultation-Liaison Psychiatry and Psychosomatics, from 2009 to 2012 member of the Executive Board of the Association;
- 2012-2018: member of the Executive Board of the European Association for Psychosomatic Medicine;
- 2009-ongoing: member of the European Psychiatry Association (EPA), of the EPA section on Consultation-Liaison Psychiatry (chair prof. A. Diefenbacher, Berlin, Germany), and of the Task Forces on Meetings of the EPA Early Career Committee.

D) Academic responsibilities

- 2008-ongoing: aggregated Professor in Psychiatry in the undergraduate University courses of Medicine & Surgery, Psychiatric Rehabilitation, Nursing Sciences (Modena) and in the post-graduate University specialisation schools in Psychiatry and Child-Adolescent Psychiatry, University of Modena & Reggio Emilia.
- 2003-2008: Tutor at the following undergraduate schools of the University of Modena and Reggio Emilia: Medicine; Nursing Sciences; Psychiatric Rehabilitation.
- 2002-2008: Tutor at the post-graduate School of Specialisation in Psychiatry of the University of Modena & Reggio Emilia.
- Secretary of the Degree in Medicine & Surgery, School of Medicine, University of Modena & Reggio Emilia.

- Member of the Faculty of the International CME Course in Consultation-Liaison Psychiatry and Psychosomatics by the European Psychiatric Association (editions from 2011 to 2018).

E) Clinical activities

- 1998-2008: attending physician at a primary care outpatient clinic.
- 1998-2002: internship and residency at the Psychiatric Clinic of Modena University Hospital, attached to a Consultation-Liaison Psychiatry Service.
- 2004-ongoing: consultant psychiatrist at the Modena Department of Mental Health, at present attached to the Consultation-Liaison Psychiatry Service at the Modena University Hospital; former experience at Community Mental Health Psychiatric Services (general adult psychiatry; rehabilitation) and acute inpatient care (on-call rotations).
- 2003-ongoing: private practice as psychotherapist.
- Special experience in the care of: medical-psychiatric comorbidity (psychiatric disorders in the medically ill; self-harm behaviours; delirium); medically unexplained symptoms and somatisation; psychiatric disorders in the elderly; common mental disorders; cross-cultural psychiatry.

F) Other skills and qualifications

- Fluent in Italian, English
- Reading Spanish
- Microsoft Office, Internet, Mac, SPSS

G) Publications
