

**ISPS INTERNATIONAL
CONGRESS 2026
at the Amphimax
at Lausanne University**

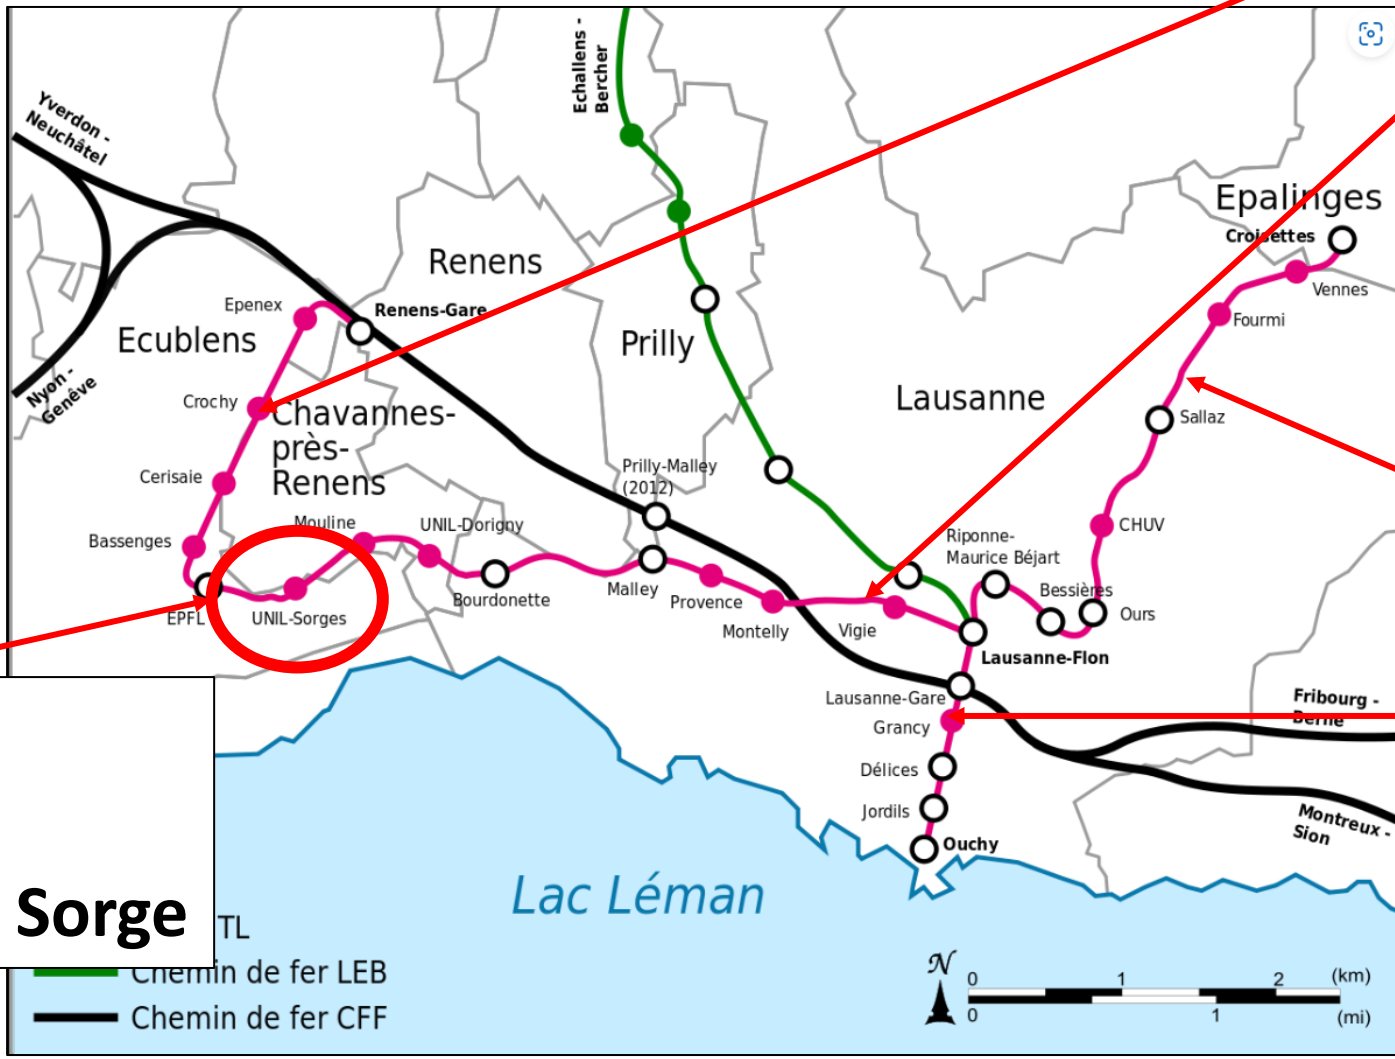

How to get there from the center
& map of the congress rooms

GENERAL INFORMATION

- The congress takes place at the **Universty Campus - building Amphimax**, 10 minutes by metro (Metro M1) from the city center
- There are many buses in the city and most of them would converge to **PLACE SAINT-FRANCOIS** which is the **city center**
- **Metro «M1»** is the line to take to go to Amphimax
 - **It starts from Lausanne Flon stop** (3 minutes walk from St François)
 - From Flon it goes in only one direction (Renens)
 - **Stop for the congress is Unil-Sorge**
 - Then you need 3 minutes to go to the congress center Amphimax, just across from the metro stop

The congress takes place at the **University Campus, Amphimax building**, 3 minutes by metro stop UNIL-Sorge (Metro M1)

M2 line

MAP OF METRO LINES

PUBLIC TRANSPORT SYSTEM LAUSANNE CENTER

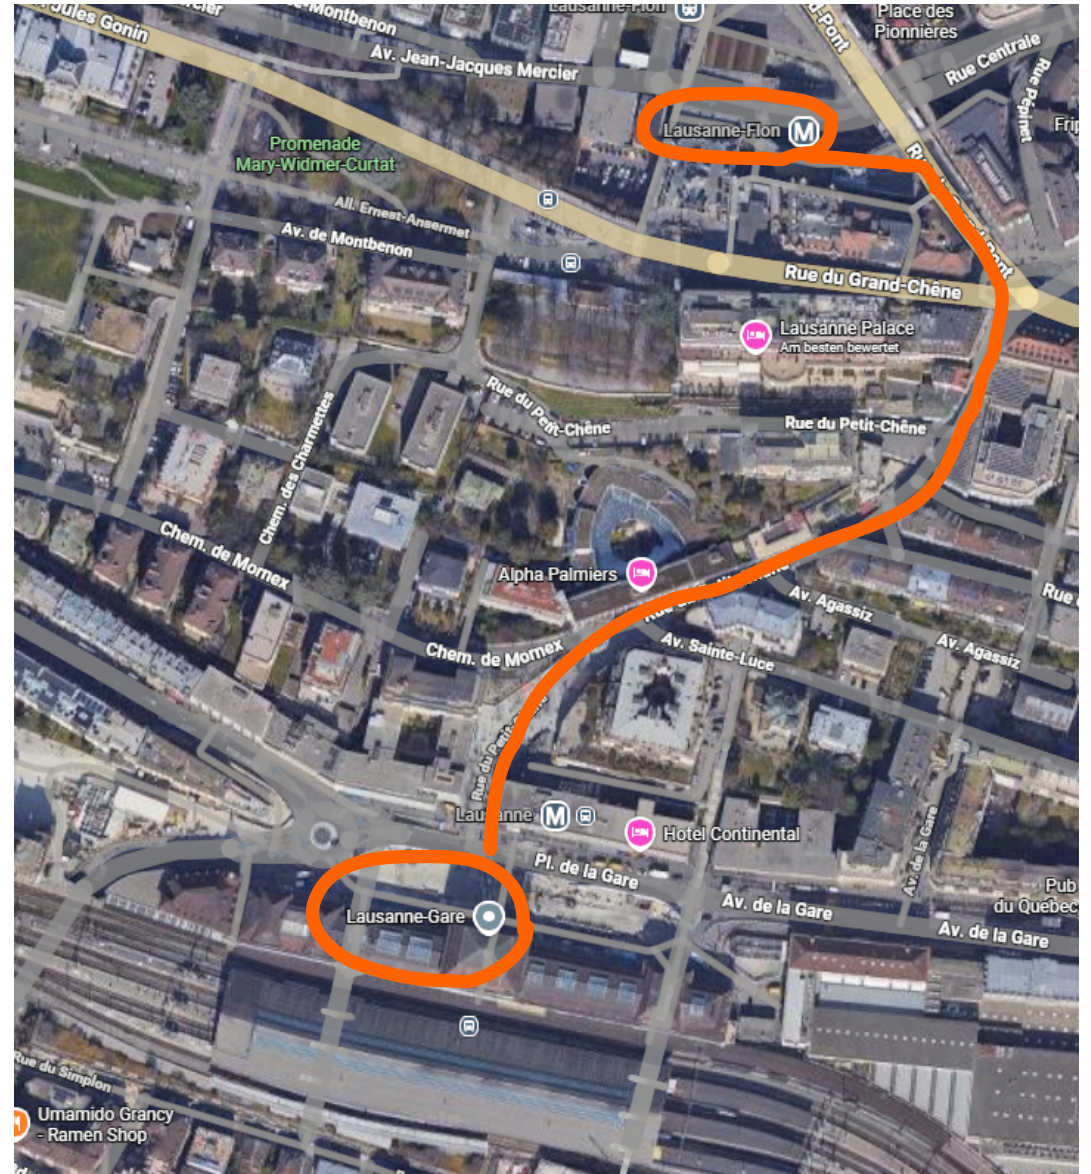

From Lausanne Train station to Amphimax via Flon station

With public transport:
Metro M2 (direction Epalinges, Croisettes)
to stop Flon. There change to Metro M1
(direction Renens) to stop UNIL-Sorge

walking to station "Flon" ->

From Place Saint François (city center) to Flon station

Start walking towards the bridge (Grand Pont)

Take the steps to your left just before the bridge

Go all the way down this little street and you get to the metro station Lausanne Flon

Everyone staying at a hotel can receive a free public transport pass which covers the M1 as well. Contact your hotel for more information. For the others, **ticket machine** is here (others in the station) and choose «Grand Lausanne» in the list

Then walk straight in the station

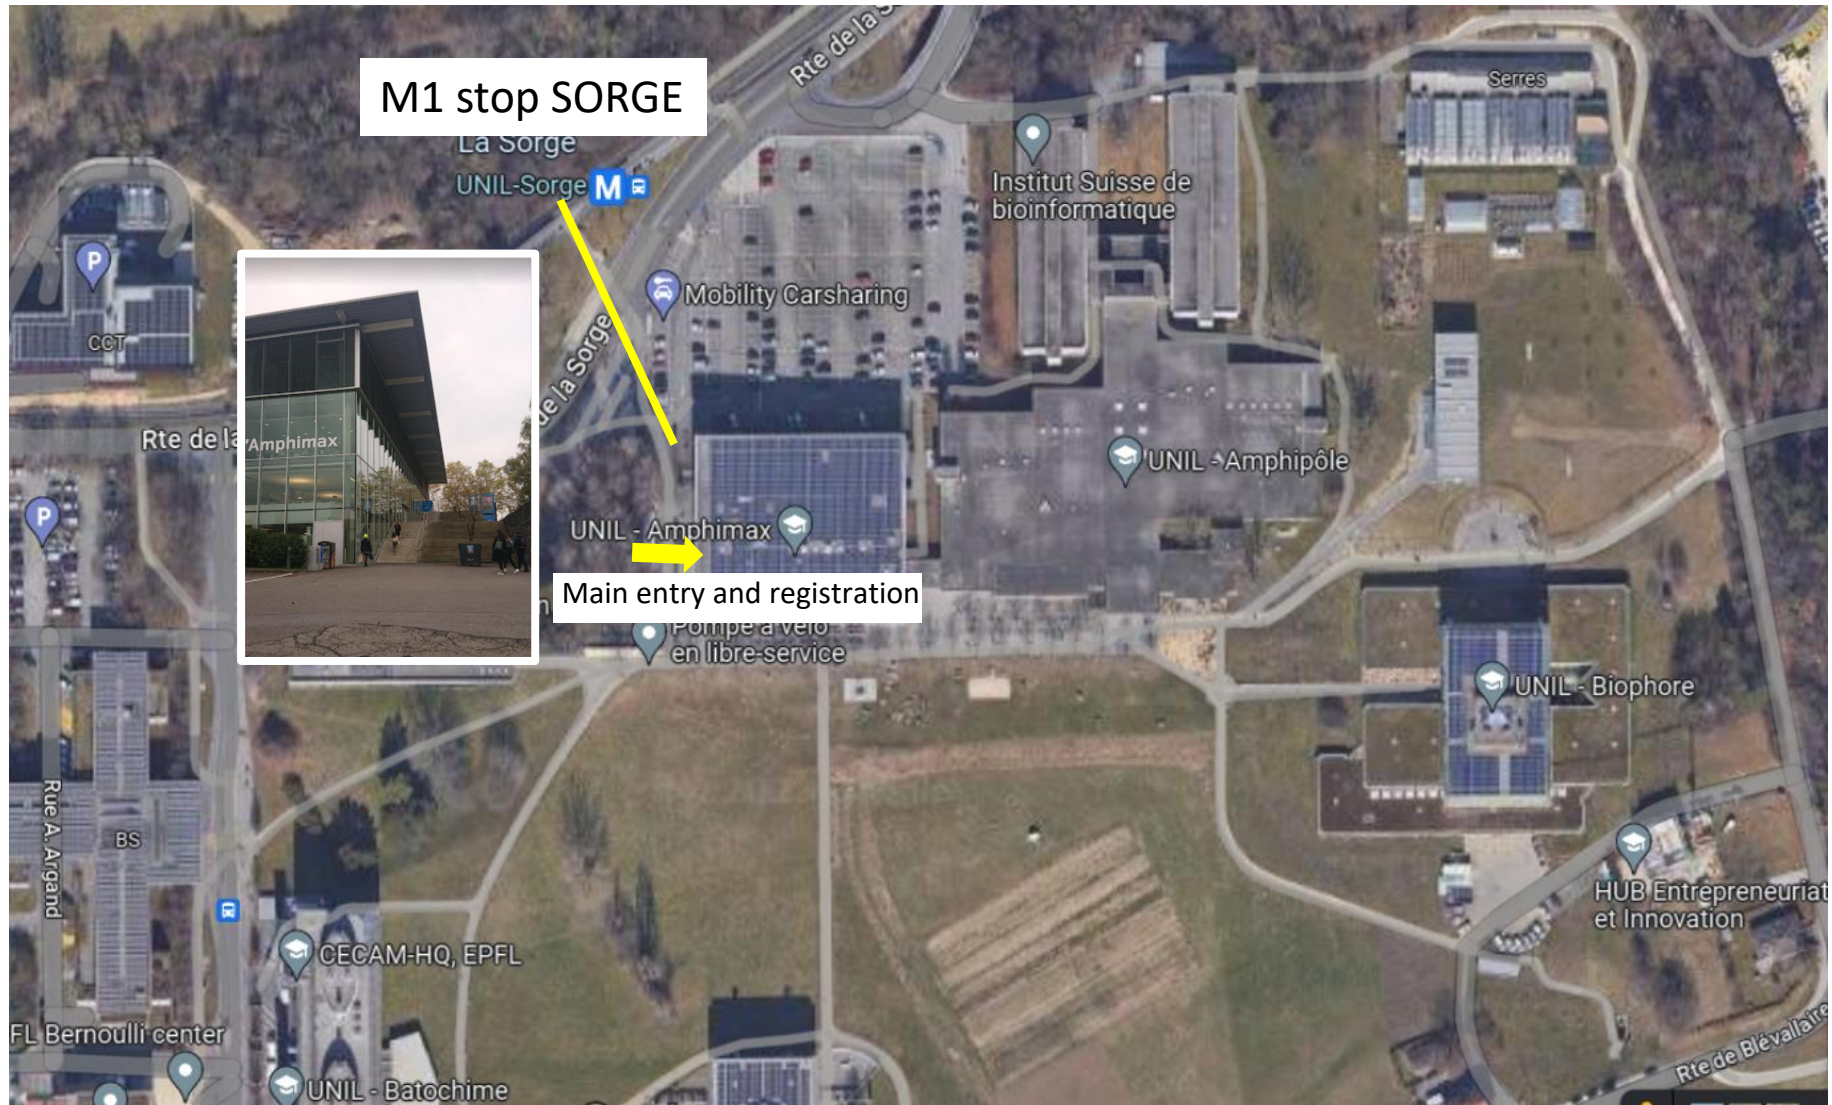

M1 leaves from plateforme 1 and 2 alternatively

From Metro M1 stop «Unil SORGE»

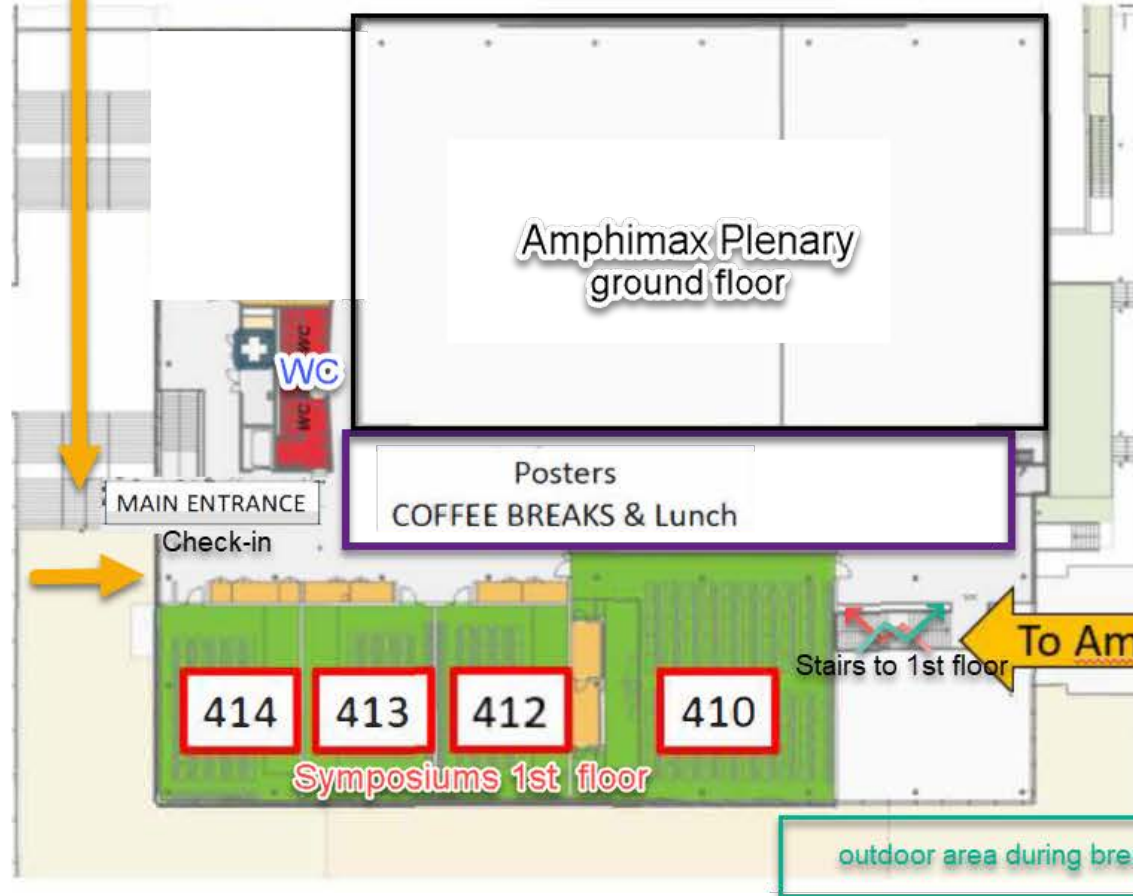

Walk across the parking lot and up the steps, turn left and take the entry after the second steps.

Tram stop SORGES
