

What do we need to promote better outcomes for families where a parent has a mental illness?

HOW TO WORK:

- LISTEN TO FAMILIES
- BE CURIOUS
- COLLABORATE

WHAT TO DO:

- PROVIDE INFORMATION
- ENABLE SUPPORT INCLUDING TARGETED PEER SUPPORT PROGRAMS
- HELP FAMILIES PLAN AHEAD

FaPMI Coordinator

FaPMI Coordinator

How do we support these families to help their children to thrive?

Adult Mental Health Services

What governance structures will enable sustainable service delivery for these families?

How can we support recovery for parents and children?

School Teachers

School resource helps to shape school community to be welcoming

School Principal

Access to targeted peer support programs can be helpful for these children and families

Service Managers

How do we help these parents to support their children?

Family Support Services

School Well-Being Coordinator

Government Policy Makers/Writers

Librarians

What resources will increase understanding of mental illness for families and children?

1. How do we prevent these families from being invisible?
2. What is needed to ensure services will be delivered collaboratively?

Evidence shows that it takes a whole community approach to support families where a parent has a mental illness.

Raising awareness generates questions for the workforce.

Appropriate support and resources enables sustainable shifts in practice.
